

## Food / Beverage / CPG Industry

Your business is getting increasingly complex. With constant pressure to increase efficiency, reduce costs and mitigate risks, a proven supply chain solution is top priority. RedPrairie's integrated supply chain application suite will not only provide the advantage necessary to leapfrog the competition and maximize productivity, but also be flexible enough to meet changing customer demands and still hit Sales & Operations Planning targets. RedPrairie's® integrated suite of applications seamlessly orchestrates all supply chain execution functions in real time while providing industry leading visibility. In addition, you will partner with a company and team that focuses on the complex needs of your business. Our solution is the clear market leader for food, beverage and CPG manufacturers and is proven in the most complex manufacturing supply chains in the world.
